*Tocqueville Society*

Founded by United Way of America in 1984 and organized locally in 1993, the Tocqueville Society fosters, promotes and acknowledges the vital importance of voluntary community service and personal giving at an exceptional level. Today, it is one of the most prestigious institutions for individuals passionate about improving people's lives and strengthening communities. Donors making annual personal gifts of \$10,000 or more are recognized.

We are pleased to present our local members and extend our deep gratitude and appreciation.
