

## PARTNERS RECEIVING FUNDING IN FY19

LIVE UNITED

In April 2018 United Way of Anchorage announced that for fiscal year 2019 \$1.5 million will be invested in programs that contribute to the following goals. The programs measure for results, using common measures and reporting that allow us to routinely monitor our progress toward our shared community goals.

### Successful Prepared Kids

Your contributions have been strategically invested toward the following results:

- More parents regularly read to their children
- More parents are satisfied with their child care and early learning opportunities
- More children start kindergarten with the necessary language, literacy and social skills needed for success
- Fewer youth drop-out of school
- Youth substance use decreases
- Youth violence decreases
- More youth have adults in their lives they can count on
- More youth are engaged in meaningful activities and volunteerism
- More youth graduate from high school on time

**These investments were directed to the organizations listed below. They implement strategies and produce client results that contribute to successful prepared kids.**
