Hi, <<First name>>,

A future where every Alaskan can thrive begins with strong, financially secure families. Working together allows us to help this reality come to fruition.

This month, we continued making meaningful progress toward that goal. To share how, our April HIGHLIGHTS focuses on partnerships. We collaborate with organizations to provide resources and services throughout Alaska, connect community members to volunteer shifts at nonprofits and generate support for important investments. **Everything we do creates and funds solutions around a common vision.** Will you make a one-time [donation](#) to help Alaskans thrive?

In what follows, you'll also have opportunities to:

- Learn about the successes of **Alaska 211** during 2024.
- Volunteer at a nonprofit to commemorate **National Volunteer Month**.
- Explore our new **Community Impact Agenda** webpage.
- Meet the biggest contributor to our **2024 Community Campaign**.
- Hear from a **United Way board member** about volunteering.
- Find out how **healthcare navigators** help with special enrollment.

We need your help opening doors to opportunities for all Alaskans. Every type of support and any amount that you provide strengthens communities, improves lives and makes Alaska better. We're grateful for all your help.

Work together. Reach higher. Lift up everyone. UNITED WAY OF ANCHORAGE.

Alaska 211 annual report

Special enrollment

When life changes, health insurance isn't the first thing we consider--but updating it is important. **Healthcare navigators help Alaskans who have qualifying events.** They assist with enrollment and share unbiased info.
