Hi, <<First name>>,

You probably know this already, but we think that it bears repeating:

**Our housing programs team does an amazing job helping people.**

Eviction Diversion prevents homelessness while Home for Good and our Landlord Housing Partnership address it. Our housing program team provides supports to partner agencies and community members so that more people have a place to call home. **Their work includes past-due rental assistance and incentives for landlords to house families exiting homelessness.** Our housing program team has a positive impact on many Anchorage community members.

**This newsletter highlights how they coordinate efforts to help people find and maintain housing.** They're also hiring a teammate in case you're interested.

This month's HIGHLIGHTS covers other important topics. **Please take some time to see how we're helping community members.** You'll get details about:

- **Home for Good** - housing program overview and a client's story
- **Free tax preparation** - financial stability assistance
- **Events webpage** - an announcement about where to look to find events
- **Walk for Warmth** - a story on United Way Worldwide about our event
- **Career opportunity** - employment on our housing programs team

Your commitment to us helps Alaskans who want to reach their potential.  
**Thank you for supporting our efforts so that community members can thrive!**

*Work together. Reach higher. Lift up everyone. UNITED WAY OF ANCHORAGE.*

## Home for Good

Our housing programs team makes permanent housing possible for many community members. **Your donations help people receive assistance.** Here's how a client in one of our three programs secured housing with our support.

**Monique exudes happiness in part because of Home for Good.** Its case managers supported her as she prepared to move into her home. Now, they provide her with other support to establish routines, strengthen relationships and solidify income. **This approach works, which Monique knows firsthand.**
