

We can

# AMPLIFY IMPACT

by meeting  
children's needs

Lets help

**500** students by connecting  
them to their schools'  
homeless liaisons – just like last year

**1,400** vulnerable children by  
covering their expenses for  
basic needs when necessary

**United Way of Anchorage**

Your donation to our Community Fund is amplified when we Unite our community impact, housing and Alaska 211 teams to meet children's basic needs so they can flourish.
